9) Director and Fiscal Officer Reports

a. Director's Report

Our Winter Reading Challenge kicked off January 1st and runs through the 31st. There are actually two challenges for each age group to participate in, the "Cozy Up and Read" challenge and the "Brrr-ingo" challenge. You can participate in one or both challenges and we have prizes in each age group for both. Participants can log their progress in the Beanstack app or website just as we do for the Summer Reading Program. One of the prizes is a Lane-branded mug that we had printed over at the MidPointe Makerspace. We are looking into getting a similar printer for our Tech Center, as we were able to produce high quality mugs for \$3.50 each, and we think not only could we make good use of that, but the public would enjoy it as well.

We have received the cases for the 300 mobile hotspots that were mentioned at the last Board meeting, so they began circulating last week. As a reminder, these were purchased with money we received from the Emergency Connectivity Fund. The hotspots circulate for 14 days with no renewals allowed.

Celeste Swanson, our Youth Services Coordinator, worked with a group of librarians around Ohio to submit a program proposal called Reimagining School Readiness for the ALA Annual Conference this summer. Their proposal was accepted, so they will be traveling to the conference to present to librarians from around the country. In addition, Celeste was invited to join the YALSA nonfiction 2024 Committee. Celeste has done an outstanding job of being active in our community not only locally, but in the larger professional community both in Ohio and nationally.

A summary of the German Village Christmas Walk from Emmy Piatt: "For the 2022 GV Christmas Walk (12/4) we had markedly fewer extra patrons in the building than in the 'Walk' years before COVID, but still saw a couple hundred more building visitors than on a normal Sunday, with about 40 participating in holiday crafts, which were creating ornaments for our Christmas tree in the children's area and to take home, and 55 attending our music performance from the Chris Comer Trio. There is a lot of 'competition' for attendance, with an increasing number of holiday events in Hamilton. This year the GV Walk committee currently numbered 5 (two of these being Amy and I) active participants. I'm unsure about the future of the GV Christmas Walk, as the amount of physical and planning work, PR, along with the lack of people to do said work and an aging committee have made it an untenable situation."

The Tech Center has received the vinyl printer that has been mentioned at previous Board meetings. The printer cost \$17,695 and was paid out of the Roesel Fund. The printer will be used regularly for in-house PR materials and will also be available for public use. Staff have been trained on the printer, but we are still working out pricing for public use, but we plan to have it available for use in February. The Epson printer that we purchased can print up to 64" banners. AARP will be back here at the Administration Center offering their free tax assistant beginning in February. Appointments will be available Tuesday-Friday, 9:00am to 2:30pm. As a result, we will be making alternate arrangements for the next few Board meetings.

b. Fiscal Officer's Report

Mr. Carringer let the Board know the Library had a net surplus of \$2.162 million in the General Operating Fund for 2022. Revenues for the General Operating Fund were \$9.131 million for 2022. This was a \$286 thousand increase in revenues compared to 2021. The revenue increase can be attributed to State Income Tax Receipts (PLF) of \$335 thousand, and Contributions of \$3 thousand. This was offset by \$2 thousand decrease in Grants, and \$48 thousand decrease in Earnings on Investments, and decrease in 2022. The General Operating Fund Expenses were \$6.969 million. This reflected an increase in expenses of about \$773 thousand over 2021. An increase in Salaries/Benefits of \$554 thousand, Supplies of \$ 22 thousand, Purchase Contracts & Services of \$134 thousand and Capital Outlays of \$76 thousand. This was offset by a decrease in Materials of \$1 thousand and Miscellaneous Expenses of \$12 thousand for 2022.

10) All items under the consent agenda were approved by a motion of Ms. O'Neill, seconded by Ms. Copas, with all members present voting in the affirmative. The items under the consent agenda were:

Discussion took place on the potential time frame to begin the hiring process and what the hiring process specifics would be. The Board President, Ms. Koenig, requested the Library Human Resources Manager and/or Library Director keep the Board abreast of the hiring process at each Board Meeting during the year.
- b. The meeting was adjourned at 4:50 p.m. on a motion from Mr. Richards, seconded by Ms. Copas with all members present voting aye.
